

SAN JUAN COLLEGE

Purchasing Department

Effective Monday, April 25, 2016, San Juan College (SJC) will begin migrating to Biddingo.com for the notification of bid opportunities, bid document distribution, and receiving of bid proposals.

San Juan College encourages Vendors to complete the free online Vendor Registration Form at www.biddingo.com/sjc. Vendors registered with San Juan College will receive email notification when a new bid opportunity is issued matching one of their registered commodities. Vendors will be responsible for maintaining their contact information in the Biddingo.com database.

All reasonable efforts to inform registered Vendors of relevant bid opportunities will be made, but neither Biddingo nor San Juan College shall be liable for any failure to do so.

Biddingo Service and Costs

Biddingo.com and BiddingoWest.com offer subscription based services that aggregate **Canadian bid opportunities**. However, Biddingo has a special agreement with San Juan College whereby SJC vendors can access and respond to **SJC bids at no cost**.

Currently, SJC vendors may see information that states that they are in a trial account or need to subscribe. SJC vendors can ignore this type of promotional messages. Vendors with an interest in doing business with Canadian government agencies are certainly welcome to subscribe or pay one time access fees to access Canadian bid details and documents.

Need more Information?

If you require more information, please contact them at (323) 206-4114 (LA Office) or (416) 756-0955 (Toronto Office) or info@biddingo.com.

Sincerely,
Frank Cole
Senior Purchasing Director
